NEC NP42LP projector lamp:

Manufacturing and Engineering
 Maximise productivity by empowering your staff whilst respecting ECO values

Today's organisations are discovering the benefits of displaying information in all areas of their premises for effective employee communications regardless of their location; for synergistic collaboration of talent; for detailed design work; for the visualisation of production data and for so much more! High productivity combined with environmental responsibility is the ultimate goal and requires much more than a conventional display.

NEC Display Solutions offers intelligent technologies and designs for virtually every area of business empowering users to work smarter and maximise productivity and energy efficiency.
