

Eco Friendly Laptop Sleeve. This is function with emotion

Want to be more sustainable? Meet the new 14.1" Eco sleeve from techair. Made from recycled plastic bottles this 2 tone styled products contrasts a textured gray main fabric with a webbing band and a finer woven black fabric. As usual the product comes with a lifetime warranty. Sustainability without compromise, that's function with emotion.

Key features

- Fabric (PET) made from recycled plastic bottles
