

Locking Adapter for Mac Studio

Attach any NanoSaver® security lock to your Mac Studio.

K65101WW

Product Description

Owners of the Mac Studio require a convenient and non-invasive solution for securing their new investment.

Designed specifically for the Mac Studio, the Locking Adapter requires no tools to install, allowing the Studio to be secured with any NanoSaver® lock.

Discreet and unobtrusive, the adapter matches the Mac Studio's aesthetic and does not block any connectivity ports.

The Locking Adapter for Mac Studio comes with a five-year limited warranty so you can rest assured you're covered by Kensington, inventor and a worldwide leader in security locks.

Features

- Can be used with any NanoSaver® security lock, providing a clean, secure connection between the Mac Studio and a nano security slot. Designed to perfectly complement the Mac Studio without getting in the way.
- No tools required, easy to attach - will not damage the Mac Studio and requires no device modifications.
- Unobtrusive design provides uncompromising security, without compromising functionality.
- A five-year limited warranty means you can rest assured knowing you're covered by Kensington, inventor and a worldwide leader in laptop security locks.
