3. Material: Plastic
4. Color: Black (RAL 9005)

Description

The equip® 19" Rack Mount Cable Management Panel is an essential accessory for organizing and tidying up cable installations in server racks and network cabinets.

Designed to fit into standard 19-inch racks, this panel provides a neat and structured solution for routing and securing cables, reducing clutter, and preventing cable tangling. It typically features multiple cable slots, loops, or hooks that allow for efficient cable organization, making maintenance and troubleshooting easier.
