

USB Powered HDMI Voltage Inserter

- Adds 5 Volts and 1 Amp of power from the USB port
- Supports up to a 1080p Resolution
- 1 Year Warranty

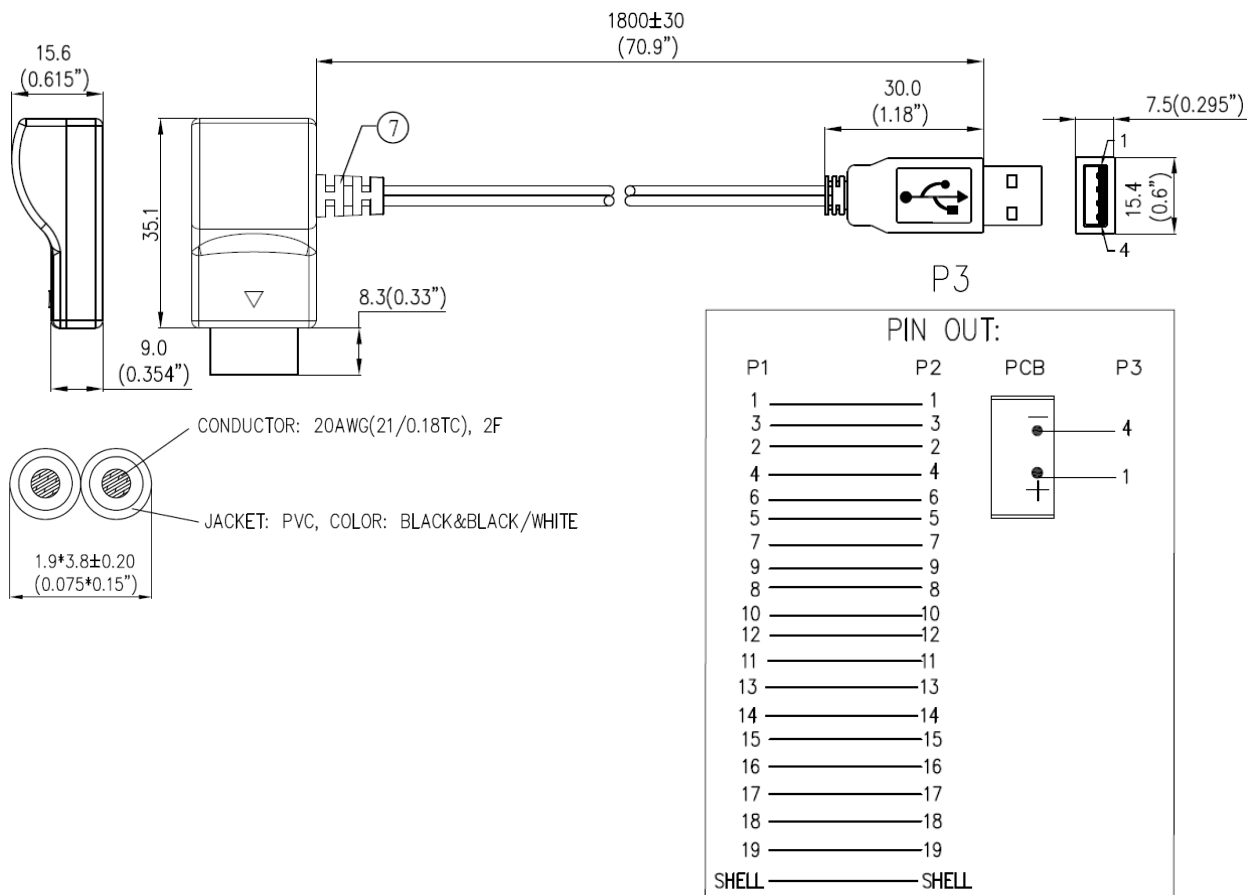

Specifications: USB Powered HDMI Voltage Inserter

Electrical Characteristics:

Resolution Supported:	Up to 1080p
Voltage Rating:	5V, 1A
Conductor Resistance:	at 20°C Max 20AWG— 34ohms/km

Physical Characteristics:

Operating Temperature:	0°C~50°C
Storage Temperature:	-25°C~70°C
Cable Length:	1800mm (70in)
Approvals:	CE

Part Number	Description	Weight (kg)
82236	USB Powered HDMI Voltage Inserter
