AKB-601UB

Spill Resistant 18 Key Numeric Keypad

Compact & Lightweight

Spill Resistant

Quiet Membrane Key Switches

Plug & Play

■ Compact & Lightweight

The AKB-601UB only weighs a quarter of a pound and is less than three and a half inches wide which makes it extremely portable and space saving.

■ Spill Resistant

The keypad's spill resistant design helps to prevent fluids from staying inside, which would otherwise cause damage to the keyboard.

■ Quiet Membrane Key Switches

Membrane key switches provide a quieter typing experience with lifecycle lasting up to five million keystrokes.

■ Plug & Play

The AKB-601UB requires no driver. Simply connect the device to your computer and begin enjoying your new peripheral companion.
