

## SmartFit™ SoleMate™ Pro ergonomic foot rest

Simply the best foot rest

K50409EU

### Product Description

Improve posture, promote healthy circulation and support back and leg comfort with the SmartFit™ SoleMate™ Pro ergonomic foot rest. Ergonomically designed to promote wellness and support increased productivity, the SmartFit™ SoleMate™ Pro ergonomic foot rest incorporates Kensington's patented SmartFit™ technology to simplify proper fit and allows users to adjust the height and angle for customised comfort. An ideal foot rest for modern home office or hot-desking environments.

### Features

- Ergonomist approved to improve posture, promote healthy circulation and support back and leg comfort
- SmartFit™ system simplifies ideal ergonomic height positioning using scientifically proven research to support proper fit and increase productivity
- Height adjustable with positions between 90mm–120mm (3.5in–4.7in) to support users of all heights
- Angle & tilt adjustable to allow users to personalise their preferred tilt position (angle adjusts 12°–20° for K50416 or 0°–18° for K50345/K50409; tilt adjusts 0°–18°)
- Locking foot pedal control allows users to adjust the foot rest without leaving their chair
- Anti-slip base and top ensures your foot rest and feet stay in place throughout the working day
- Easy-to-clean surface can be spot cleaned with warm water
- Wide platform comfortably accommodates users preferring a wider stance
- Non-toxic materials independently certified for safety and compliance
- Professional performance-focused design combines functional and sophisticated low-profile elegance with durable components
