Charge, Sync & Power

The cable allows you to charge your USB-C devices using a USB-A enabled wall charger or a computer. It can output up to 3A current for fast charging your phone or accessory. It will also support up to 480Mbps data transfer rates to sync your photos, videos, music and files.

Super Ultra Construction

The ALOGIC Super Ultra range is crafted from superior materials and specially designed to guarantee a longer lifespan. The cable is strengthened with synthetic fibre and reinforced with flexible nylon double braiding to provide maximum protection against all types of wear and tear.
