

ALTHEA05W

ALTHEA S1, 1-Port Slim USB Charger, White

This USB charger is the ideal solution for charging most of your devices with a USB connection directly through a power socket. The USB charger can handle voltages from 110 to 240 volt AC and converts them automatically to the 5 volt DC that USB devices use. You can easily charge your USB devices without the need of a PC or notebook. Almost all devices which support charging through USB, like (smart) phones, navigation systems, MP3 players and digital cameras can now be charged easily.

Highlights

- > Charge USB (5V) devices quickly thanks to high output (max. 1A)
- > Charge your USB device without the need of your PC or notebook
- > Small, compact and easy to take along
