

8-Outlet C13 Power Distribution Unit, 19"

333310

The equip® Power Distribution Unit is a sturdily-built product designed to distribute clear and crisp electricity and meanwhile avoid the damage caused by voltage fluctuations, surges, and spikes. The product is thoroughly tested to ensure the functionality and reliability. Attached with a 1.8m power cord, easy-to-install mechanical design, this is the ideal choice for the 19" cabinet system installation.
