Why You Should Prioritise Better Posture When Working on Limited-Angle Opening Laptops

The Challenge

Premium, ultra-thin laptops often sacrifice ergonomic screen height for portability, resulting in chronic discomfort during prolonged use:

Text Neck: Looking down at a low-profile laptop creates severe strain on the cervical spine.

Slumped Posture: Working on a flat surface forces the user to hunch forward, causing spinal compression.

Visual Inconsistencies: Mismatched screen heights in dual-monitor setups cause constant ergonomic

The Solution: Oryx evo E Laptop Stand

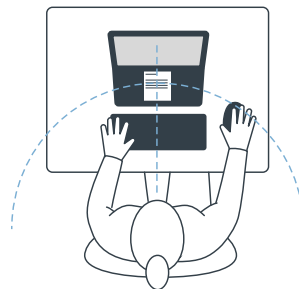

Designed with a clean, professional aesthetic, the Oryx evo E lifts your laptop to the optimal ergonomic height while maintaining the minimalist look of your device:

Ergonomic Alignment: Elevates the display to eye level, drastically reducing neck and shoulder strain.

Posture Correction: Encourages an upright, seated position by raising the screen to a natural viewing height.

Clean Integration: Matches the premium materials and simple lines of modern mobile workstations.

Product Highlights

Eye-Level Elevation: Lifts the display to a health-compliant height, actively preventing upper spinal compression and correcting slumping posture.

Premium Aluminum Construction: Combines exceptional structural durability with a lightweight profile, perfectly matching the aesthetic of premium mobile workstations.

Minimalist Design: Engineered with a sleek, open-frame aesthetic to complement modern, ultra-thin hardware without unnecessary bulk.

Instant Deployment: Deploys in seconds with a simple folding mechanism, making it ideal for professionals moving between meeting rooms and desks.

Instant Deployment: Deploys in seconds with a simple folding mechanism, making it ideal for professionals moving between meeting rooms and desks.

Technical specifications

Laptop height settings	max. 40 degrees, 5 adjustments
Suits laptops	10-17 inch screen, up to 4 kg
Footprint on table	min. 195 x 205 mm
Size when folded	360 x 210 x 4 mm
Weight	347 g
Colour	natural aluminium
Product code	ST10411X
