

Mac Pro® and Pro Display XDR® Locking Kit

The locking kit designed to perfectly complement your Mac Pro and Pro Display XDR.

K63150WW

Product Description

Now there’s an elegant way to secure your Mac Pro and Pro Display XDR. The Mac Pro and Pro Display XDR Locking Kit perfectly complements the Apple design aesthetic, without the use of tools or modifications to the equipment. This easy-to-install ingenious solution uses the honeycomb plate on the chassis of the device as the anchor point. Includes 2.4m carbon steel cable and lock.

Features

- An elegant locking solution that perfectly complements Mac Pro and Pro Display XDR.
- Easily attaches - no tools or modifications necessary.
- Lock modules can be used together or individually for more flexible use.
- 2.4m carbon steel cable with plastic sheath delivers cut and theft resistance.
- Kensington locks are verified and tested. Each lock is precision engineered to meet or exceed rigorous industry standards for strength, physical endurance and mechanical resilience.
- Register & Retrieve™, Kensington’s online registration program, allows for quick, secure and free key replacement.
- A five-year warranty means you can rest assured knowing you’re covered by Kensington.

Specifications

- **Lock Management Type** Standard Keyed
