Specifications

Parameter	Specification
Product Type	USB C Male to HDMI+VGA+USB3.0+USB C (PD60W) 4 in 1 Docking Station
Warranty	3 Year
Input Signal	USB Type C
Output Signal	HDMI/VGA/USB3.0/USB C(PD)
Connector A	USB Type C Male
Connector B	HDMI Female + VGA Female + USB3.0 Female + USB C (PD) Female
Output Resolution (Max)	Single HDMI output: 3840 x 2160(4kx2k)@30Hz Single VGA output: 1920 x 1080@60Hz All Ports Use output: 1920 x 1080@60Hz
Color	Gray
Cable Jacket	PVC
Product Jacket	Aluminum Alloy
Cable Length	15cm
Product Size	9 x 4 x 1.5cm
Product Feature	Plug and Play, no need any driver
Product Weight	59g

About AddOn Networks

In 1999, AddOn Networks entered the market with a single product. Our founders fulfilled a severe shortage for compatible, cost-effective optical transceivers that compete at the same performance levels as leading OEM manufacturers. Adhering to the idea of redefining service and product quality not previously had in the fiber optic networking industry, AddOn invested resources in solution design, production, fulfillment, and global support.

Combining one of the most extensive and stringent testing processes in the industry, an exceptional free tech support center, and a consistent roll-out of innovative technologies, AddOn has continually set industry standards of quality and reliability throughout its history.

Reliability is the cornerstone of any optical fiber network and is engrained in AddOn's DNA. It has played a key role in nurturing the long-term relationships developed over the years with customers. AddOn remains committed to exceeding industry standards with certifications from ranging from NEBS Level 3 to ISO 9001:2005 with every new development while maintaining the signature reliability of its products.
