Description

The equip® 650331 TV Wall Mount Bracket is a compact but sturdy product that ensures a reliable installation of your LCD/Plasma TV. Follow the graphic guide included in the package, you can install your TV on your own with ease. The wall bracket fits most of the wall materials- brick, concrete and wood, making the ideal choice for you to set up your screens.

With 360 degree rotating mounting plate, the display can be effortlessly held in landscape or portrait position. The spring lock ensures a safe rotation adjustment. Slide-in mounting plate provides easy access for a attachment and detachment.
