

FirestormExternal® Lite® USB-C External Solid State Drive

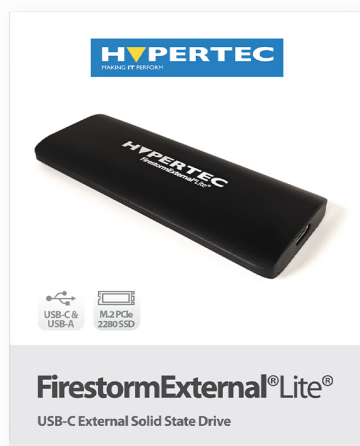

Low Cost, High Performance

The FirestormExternal® Lite® SSD is a low cost performance SSD ideally suited for increasing portable storage, without compromising on speed and efficiency.

Enjoys Ultra-Fast File Transfers with USB-C

Featuring the latest USB 3.1 Type-C connection, the FirestormExternal Lite is capable of ultra-fast file transfers and can be used by any Laptop, Ultrabook or PC.

The ultra-portability of the FirestormExternal Lite SSD makes the ideal solution for mobile workers and organisations that require large file transfers between multiple devices.
